

Performance Improvement for All Types

Jeff Johannigman, MAHS

DYNAMIC, INTERACTIVE, FULLY CUSTOMIZED WORKSHOPS FOR:

Team Building – Leadership
Communication – Creativity - Diversity
Conflict Resolution – Career Development

*“Helping people discover their unique strengths
and value the differences of others.”*

“From using your course for our board training, we learned to understand our differences and to use each other's strengths. One of our members called it the best board training in 20 years.”

— Teresa Oltersdorf,
Tarrant County Medical Society Alliance

“Jeff is masterful at designing appropriate workshops for groups with different needs, including our alumni, volunteers, and staff. We constantly received profuse praise about his valuable services and professional delivery. He really knows his subject and is an effective communicator – a great combination.”

— Susan Kessler, CAE, Associate Executive Director,
The University of Texas Ex-Students' Association

*“Jeff Johannigman's ability to interpret the Myers-Briggs is **nothing short of life changing**. He offers challenging insights into how we interpret our world at work, at home and in the community. You will walk away from this experience empowered to create a better world, both for yourself and for the many people with whom you live and work.”*

— Susan Wills, Executive Director,
Austin Area Interreligious Ministries

**JEFF IS AN AWARD-WINNING
SPEAKER, TRAINER,
AND CONSULTANT.**

In his varied career, he has:

- Managed worldwide staffing for the Tivoli Systems division of IBM.
- Established one of the country's first dedicated alumni career services for the University of Texas.
- Coached hundreds of people to greater career success and fulfillment.
- Founded two successful software companies.
- Produced over twenty published computer games.
- Earned a Master of Arts in Human Services from St. Edward's University, and a Bachelor of Science in Engineering from Cornell University.

MBTI® - CERTIFIED EXPERTISE

All performance improvement begins with self-awareness. Jeff uses the Myers-Briggs Type Indicator® (MBTI) to provide a solid foundation of self-understanding for most of his training and consulting. Qualified in use of the MBTI since 1994, Jeff is now one of the first professionals to meet the requirements for MBTI Certification, recognizing the highest level of competence, commitment, and ethical standards in use of the Myers-Briggs Type Indicator.
